HSS F325 Cinematic Adaptation Comprehensive examination (Regular)

Part B 45 M

Date: 22 Dec 2022 Time: 3 Hours Marks: 60

Q. 2 The film makers are very particular about characters' costumes and make-up, the setting of the story and the arrangement of the props in the scene. All these elements work together to shape the meaning of characters' behaviours and actions and to set the mood of a scene. Identify the elements of mise-en-scene discussed in the interviews/documentaries related to the movies Sin City (2005) and Stardust (2007) and analyse their impact on the character. **(15 M)**

Q. 3 Analyse your movie on the theory of Close textual theory. Pick up only plot and theory parts and state how plot and theme strengthen and challenge each other. **(15 M)**

Q. 4 With reference to the character (only one) state how the selection of the shots helps the characters deal with the conflict. Which type of shot is used to intensify the conflict? What kind of impact such shots add to the expression. **(15 M)**
